

**23RD AMA CHAMPIONSHIPS
5 – 9 NOVEMBER 2025,
JAWAHARLAL NEHRU STADIUM, TAMIL NADU**

To All Master Athletes
Greetings from MMAA!

I would like to share some good news and information on 23rd AMAC which has received the blessing and support from the ***Honorable Deputy Chief Minister cum the Sports Minister of Tamil Nadu.***

1. The Asia Masters Athletics (AMA) Team conducted the venue inspection in the 23rd AMAC Venue on 18th and 19th July 2025. They checked all the facilities, equipment, environments and the progress by India – the organisers.

2. The Main stadium 1 is ***IAAF (WA) certified*** stadium and ***in good condition.*** The ***stadium 2 is about 150m from*** the main stadium .

3. The equipment were checked and they follow the **standard specification for masters athletics.**

4. Apart from the toilets available in the stadium, the organisers have planned to ***have more mobile toilets just outside the stadium.***

5. ***Food stalls*** with different menu (***to cater for the participants from different countries***) have been planned to be set up at both the stadiums.

6. ***A Cultural presentation and Torch Run are*** prepared for the Opening Ceremony.

7. The Technical and Competition aspects has been entrusted to a very ***experienced Technical officer from the Athletics Federation of India*** who has been involved in the National Masters Athletics Championships where nearly 3000 to 4000 Indian master athletes participate every year.

8. The AMA Venue Inspection Team had the opportunity to meet the Hon. Deputy Chief Minister cum the Sports Minister of Tamil Nadu and had a brief discussion with him.

9. The people in India and the officers involved are all well educated and very fluent in English language – therefore there is no problem in communicating with the people there.

10. There many hotels available near the venue. Easy and cheap transportation available (auto) everywhere. So no problem travelling in Tamil Nadu.

11. The 10km Road race will be conducted near the stadium on the 10th November 2025.

The organisers are doing their best to stage a good championships within a short period of time given to them. AMA feel the 23rd AMAC will be a successful event and wish all Malaysian/Asian Athletes to be part of this wonderful championships.
