Greetings from Malaysia and MMAA !

As the Deputy Chairman of the Organizing Committee, I would like to request your wishes and support to our bidding to host the 2010 AMA Championship in Kuala Lumpur., Malaysia. Malaysia has successfully hosted the 6th Asian Veteran Athletic Championship in Kuala Lumpur in 1990. We have been organizing our Malaysian Masters Athletic Championship every year without failing which has attracted hundreds of master athletes from our neighbouring countries.

We are happy that we are once again the host for the 2010 Asian Masters Athletic Championship. We believe with your support we will stage a very successful championship in 2010. We are sure that master athletes and officials from Asian countries will enjoy the visit and participation in Kuala Lumpur. Malaysia has a lot to offer to visitors and competitors. We invite you to share our wonderful

cultures, food and scenery. Thank you
