To:
Secretary, State Masters Athletic Association,
And Malaysian Master Athletes
Who are members of State Masters Athletic Associations

Dear All,
Greetings!

This is to inform that master athletes' requests for any documents or any comments to Malaysian Master Athletic Association (MMAA) must be sent to the Secretary of MMAA through proper channel. It means the master athlete must go through their state masters athletic association (State MAA). **Only the State MAA can write officially to MMAA on their athletes requests etc. This has been decided in the MMAA Council Meeting and informed all a long ago.**

Any Whatsapp messages , telephone calls or e mails by individual master athlete to MMAA will not be considered. Only official letter or e mails from the State MAA will be considered and action will be taken accordingly. Master athlete as a member of a State MAA, should respect the management of the state association. The State MAA must be informed and State MAA should take the action for their own members.

For the information of all master athletes, MMAA comes under WMA which is a different entity from World Masters Games. WMA does not sanction World Masters Games, hence **MMAA does not give support letter** to any master athlete who wish to participate in the World Masters Games or any other games which are not sanction by WMA / AMA.

MMAA in charge of master athletes for AMA Championships and WMA Championships which are sanctioned by AMA and WMA. MMAA only support and manage the master athletes for the above two championships.

We hope the State MAA kindly inform this to the master athletes in their respective states. Hope all master athletes understand the procedures and abide by the conditions for the betterment of masters athletics.

Thank you for your cooperation and understanding.

Best regards,

"BERKHIDMAT UNTUK KESEJAHTERAAN ATLET MASTER"
